Bank Name:
Bank Addr:
Bank City:
Bank State:

I want to voice my strong opposition to the application by Wal-Mart to allow them into the banking business. By doing this, they are trying to avoid the federal regulations that apply to other banking institutions. As such, they are not only unfair competitors to those institutions but of danger to the American public. I urge you to refuse their request and thereby fulfill your role as public watchdog on the banking industry!

Thank you,
Steve Smith
